Mission Statement

The mission of the Youth Ministry of Allen Temple Baptist Church is to establish a foundation for building Christian character, morals, values and behaviors in young people ages 12 to 18; by using creative and innovative methods to excite, inspire, capture and ignite young people for Jesus. Our goal is to enable young people to understand and recognize who Jesus is and what it is to live for Him only.

Vision Statement

Our vision is to respond to the social and spiritual needs of the youth within our church and community by providing relative programs, activities, and events that will allow them to build a strong foundation of faith that will enable them to express and share their faith through their own words, actions and deeds; to encourage them to use their individual talents in programs and ministries that interest them in order to nurture their growth as people of faith while providing volunteer services to the community.
